

MODEL RAILWAYS ON-LINE

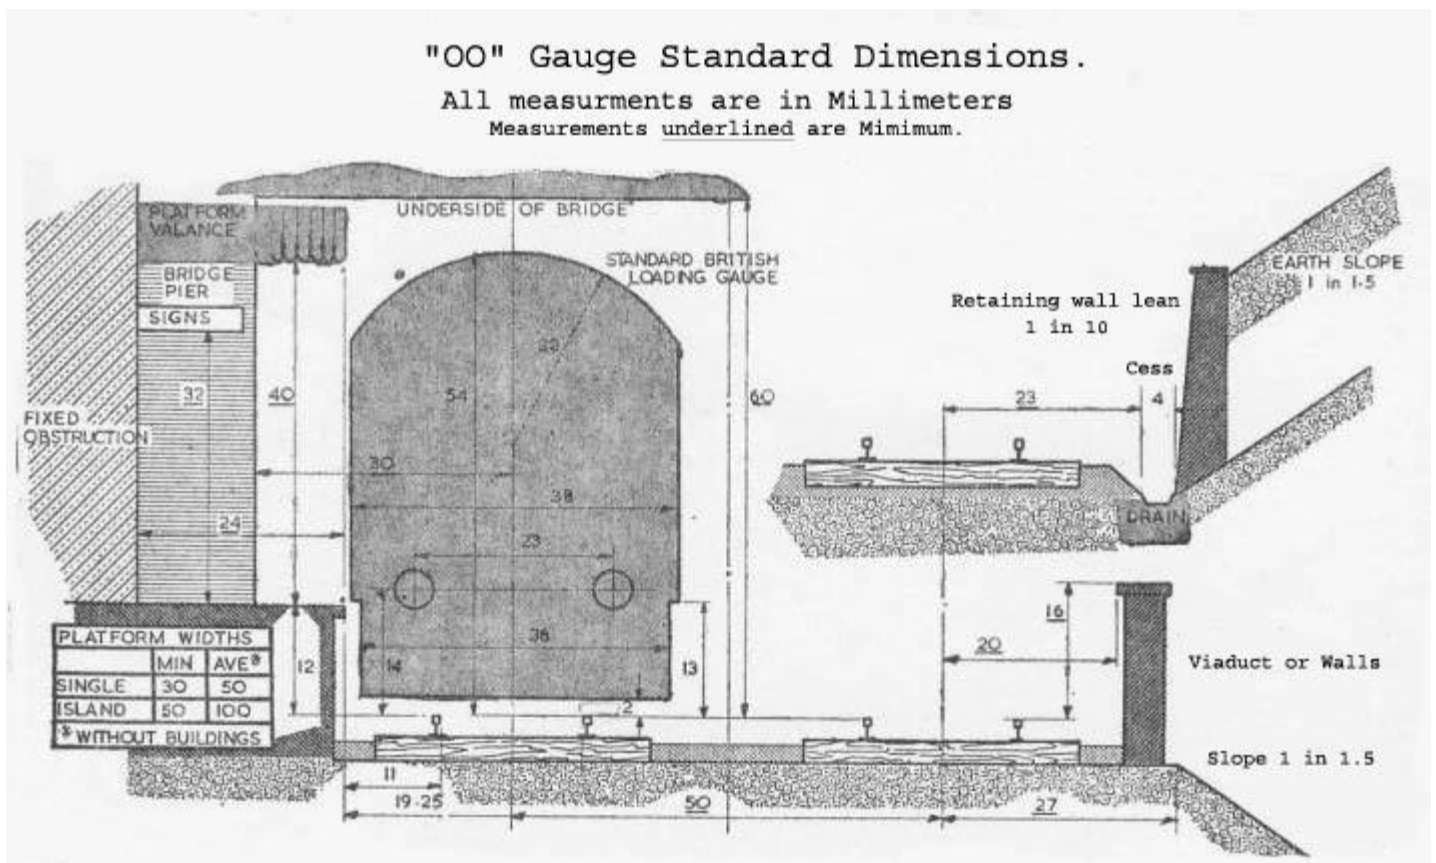

00 Scale Measurements

by

Graham Plowman

The following diagram has been reproduced here with the kind permission of Peco Publications who originally published the diagram in "Starting in Scale 00" in 1968.

The diagram details all of the primary measurements appropriate to 00 modelling. Measurements which do not relate to track are all applicable to EM and P4.

Graham Plowman (25/2/2010)
